FACTS IN NATURE

Not Only Do We Get Inspiration From Nature, But Health as Well.

Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, billiousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tends or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Agents are to be found in forest plants agents are to be found in forest plants and roots.

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Curea Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff scales, she is curing the dandruff she may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hatr soo. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. Constipation

Eaked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every aliment known to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation. The bark of a certain tree is California—Can. The bark of a certain tree is Cantipation. Sama. Simpery Eim Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothema Candy Tablet called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenuous and most effective prescription. Its effect on Constipation, etc., is indeed prompt and satisfying.

A tall, grim clock tolled the hour of I yesterday afternoon in Dowie's death chamber in Shiloh House near Chicago and the doors were opened to one of the strangest throngs ever seen in Zion City. Scores of pilgrims—lame, halt, and blind—had come to touch the gar-ment of the dead Elijah to be cured of their ills.

They came on crutches and in armchairs. Sick children were carried in the arms of their weeping mothers.

Some endeavored to kiss the glistening clotn, others were content to press it between their trembling fingers.

The sufferers, praying always, and occasionally giving vent to a murmured "Peace to Thee," gazed with adoration and hope at the cavernous face with its closed eyes, the venerable silky beard giving it the aspect of a Biblical patriarch.

Editor Assaulted,

Col. John Temple Graves, editor of the Atlanta Georgian, was assaulted on the street in Atlanta yesterday, being struck from behind without warning by J. H. Crutchfield. Colonel Graves was knocked to the pavement and slunned for a few minutes. Crutchfield used his fist in the atlack. A friend of Colonel Graves immediately atlacked Crutchfield, who got away, but was arrested an hour later. Crutchfield was recently acquitted of a charge of assault with intent to murder h's wife, who lost a leg as a result of his shooting her. He asserted that the shooting was accidental. He complained that certain statements published in the Georgian were false and unjust to him and that when he demanded retraction he got no satisfaction.
